Chairman Carl Watras called the meeting to order at 9:34 AM.

Larry read minutes of October 17, 2012 meeting, Tom moved to approve, Al seconded, motion passed, one member abstained.

NEW BUSINESS:

Carl explained what it appears the Town Board wants the Ordinance Committee to do regarding the existing Town Ordinances and how they interface with the State Statutes. A general discussion occurred as to the best approach to accomplish what the Town Board is requesting. The scope of work was discussed and it was determined that each member of the committee would begin review of a specific Chapter of the Towns Ordinances and how any changes in the State Statutes would affect that ordinance. If we find a discrepancy we would let all Committee members know of our findings and we would bring up our recommended revisions at our next meeting for discussion and consensus on any recommended changes. These revisions would be presented to the Town Board at a future meeting for approval

Work load is as follows:

Jim Nelson	Chapter 100
Al Drum	Chapter 200
Tom Preston	Chapter 400
Larry Gorrilla	Chapter 500
Carl Watras	Chapter 600

Upon completion of these the rest of the Ordinances would be distributed for review.
