

## Hazardous Material Management

A service provided for Presque Isle residents

Many products contain hazardous materials. Improper disposal of these products can cause harm to humans and the environment. This guide will help you identify hazardous products around your home.

### KEY

GAR Dry in a secure, well-ventilated area and place in the trash

TS Contact the Transfer Station @ 715-686-7479

\* Contact local Law Enforcement

FL Flush down the drain with plenty of water

G Garbage

\$ A fee may Apply.

# Compost

The Presque Isle *Transfer Station* has a sand pad that is ready to accept compostable items.

Along with yard materials, certain food scraps can also be easily composted.

Be sure to follow recommendations on what types of food scraps can be composted here in order to prevent odors and avoid attracting animals and other pests.

## What to compost

- Yard materials
- Vegetable and fruit scraps
- Coffee grounds and filters
- Nut shells
- Crushed eggshells
- shredded paper
- Animal manure (not pet waste)

## What not to compost

- Meat or fish scraps, bones and packaging
- Dairy products (milk, cheese, egg yolks, etc.)
- Fats and oils or foods containing fats and oils
- Pet waste
- Diseased or insect-ridden plants (tomato plant parts or powdery mildew infected plants, etc.)
- Highly invasive plants like garlic mustard or horsetail.

- Plastics labeled as "compostable" or "biodegradable"
